

Medical PC & Monitor for Digital OR

ACCEL-VM200

AV over IP Master Controller

Features

- Enables the management and configuration of multiple compatible video over IP (VoIP) extender through a single WebGUI.
- WebGUI clearly displays the status of all connected Transmitters and Receivers, including IP address, channel selection, etc.
- Dual LAN ports enable control over VoIP installations that reside on a logically or physically separate network from the standard local network.
- Support Optional Trigger Control Keypad for easy, single-button, preset activation.
